Secretary Minutes: Kristin had meeting minutes to be approved for May 3 2018. Kristin made a motion to pass the minutes for May 3. Sonya seconded the motion and all members voted in favor.

Treasurer's Report: Not present

Comments from the Park Manager: Ryan updated us that the New You are Here Maps are all season and colored and they are at the park. Ryan mentioned this may be something the group may want to help with getting up for the Race Event. Ryan said that they had submitted for some small fund projects such as gravel in campgrounds, power to cabins, signs for the park. Ryan stated that next year the park manager job will be seasonal position with recall. Ryan told us in October the water will start getting turned off. November 8-11 will be the Deer Hunt in the park.

Old Business:

1) 2018 Leaf Mountain Foot Race – September 22 2018

Overview of race day and sign-up volunteers

Jolene was excited to tell us the race was coming together nicely. She said there was only 15 opening left and sign up went till the 20th. The route was confidential until race day but the runners would have 2 loops depending on how far they choose to go 6,12, or 18 miles. Each loop would have 6 books the runners would have to return with so there would be no cheating. Headquarters would be at Horse Camp. Jolene stated that there was a wedding at Group Camp this same day. Jolene shared that the runners entry fee will go back into the park.

New Business:

2) Leaf blowing/Fall clean up – This will depend on the trees, weather and when everything is closed up.

3) Set Next Meeting Date - we didn't set a day

Adjournment: Sonya made a motion to adjourn at 7:11 and Jack seconded the motion and all members voted in favor.
